Itinerary

From Hurghada, or Port Galeb,
We get there by plane to Hurghada. We usually visit sites south of Marsa Alam such as Shaab Sharm, Abu Galawa, Dolphin Reef and perhaps St. Johns near the Sudanese border.

Fred Grandchamp Master instructor Padi N°949100

Since 2002, my goal is to go to the sun with a good team!

My work is that of 2nd guide.

I act as a facilitator, I help coordinate between you and Hotelplan or the local operator.

Coming with me will allow you to discover the environment that fascinates me!

The best would be to meet to discuss it so that I can explain to you clearly the organization of my travels and share with you my passion and my experience.
